Dear Regional Directors,

It is our pleasure to invite you and all your members to participate in the VI Pan-American Handgun Championship 2015 in the city of Cuiabá, state of Mato Grosso from August 02- 08, 2015. The Brazilian Practical Shooting Confederation (Confederação Brasileira de Tiro Prático-CBTP), Practical Shooting Federation of Mato Grosso (Federação de Tiro Prático do Mato Grosso) and Clube de Tiro Pantanal are responsible for organizing this important Level IV match and would like to extend their warmest welcome for your members and their families to come and visit the great natural resources that the state of Mato Grosso has to offer.

All information, including the schedule of events and match registration form, for the VI Pan-American Handgun Championship 2015 are available at: <http://www.ipscmatches.org/pahc2015/>

The match capacity is set at 384 competitors for the Main-Match but it can be increased if necessary. Since we do not foresee the Pan-American reaching capacity, we decided not to use the IPSC regional slot distribution system. If we approach the maximum capacity, CBTP will give priority to the international competitors and, thus, limiting the number of Brazilian competitors. Our registration form is already working and we will be contacting each Regional Director for approval of each registered competitor from their region.
